ISSUE 16 | 17 March 2017

## Latest News

The school gates will now open at 2.55pm at the end of the school day.

## Mr Mason Says...

Improvements to the school building will continue over half term with the classrooms in Castle (Cluster 1) and Sherwood (Cluster 2) being redecorated. Additionally a canopy is to be installed in the courtyard outside Castle and Sherwood making the new outdoor area all weather. All works will be completed by the time the children return to school.

## Message from the School Office

There have been some recent cases of head lice in school. We politely ask that you regularly inspect your children's hair. This is a problem unrelated to poor hygiene.

We understand that parking is an issue at the start and end of the school day due to the size of the school and the narrow roads surrounding the school site. However, please ensure that you are as considerate as possible when parking around the school so as not to block driveways of local residents or pavements for those with wheelchairs/pushchairs. Thank you.
