Message from the School Office

Please ensure the school office have an up to date mobile number for you so that you can be contacted in case of emergency.

Mr Mason Says...

You may be aware that the school has suffered several acts of vandalism over the past two weeks. We are working closely with the Police in order to ensure that this is brought to an end. Additionally, we have taken the decision to employ a security firm at evenings and weekends in order to regularly patrol the school site. This is at a significant cost to school, however we feel strongly that our children deserve the best school buildings and grounds and will do our best to secure this. Thank you for your understanding.

Latest News

Sports Day will be coming soon. Your child will be bringing home a letter with the schedule for their class.

I have heard many good things about the trips that have been happening recently! I have had feedback on all the trips and visits for this year and there has been such a wide variety of experiences that the children have been offered. I want to thank you for your support, as without it the trips would not be able to go ahead. Year 2 have their residential trip to Wollaton Park on Friday and I can't wait to hear how it goes! Have fun Year 2! Mrs Reader

Attendance

Registration is open from 8.55am until 9.05am. All pupils are expected to arrive in time to get to their classroom for registration. As you can appreciate, keeping a tight timetable is crucial in the running of a school. The top gate leading to the playground will now be closing at 9.05am and any children who arrive after this time will need to go to reception to get their late mark. Well done to those children, parents and carers who do arrive to school on time!

PTA News

The PTA would like to say a big thank you to everyone who helped us raise £440 for The Cystic Fibrosis Trust and Cancer Research UK on Friday, 23 June 2017.
