Thursday 10<sup>th</sup> July

Dear Parents and Carers,

I hope this letter finds you well.

I am delighted to share some exciting news with you. You will be aware as part of our ongoing commitment to enhancing the school environment and enriching our pupils' experiences, we have recently invested in the development of a brand-new playground. I am pleased to say that the equipment is now being used by the children.

The new play area has been thoughtfully designed to provide a safe, stimulating, and enjoyable space for our children to explore, play, and develop important social and physical skills. We are confident that it will become a much-loved part of the school day and a wonderful addition to our facilities.

The play area can be safely used by up to 30 children at any one time, with supervision in place. This means that we have had to create a rota for each class so that the equipment is used safely. We have timetabled each class so that they all will have the same amount of time across the week, this will eventually be for both break times and lunch times however to begin with this is only at lunch times. We want to ensure that all children have the same amount of access to the equipment to ensure fairness and equity.

Unfortunately, in order to ensure the safety and supervision of all pupils, the playground will be open only during the school day and will be used as part of our structured break and lunchtime routines. We kindly ask that children do not use the playground before or after school hours, as staff supervision will not be available during these times.

We are incredibly proud of this new addition and look forward to seeing the joy it brings to our pupils.

Thank you, as always, for your continued support.

Yours sincerely,

Scott Mason  
Head Teacher
